## ECHOES

### PASTOR'S PEN    MARCH 2019

As I write this our Denomination's specially called General Conference is meeting and the outcome for denomination is unknown. Our building program is within \$100k of being able to break ground, but with faith we have set June 2nd as our groundbreaking day. Our local church has been approached by the Presbyterian church we have been meeting with to "federate" with our church in order to move forward with a more viable ministry. There is challenge, promise, and hope in the air to see what God will do.

"I lift up my eyes to the hills—from where will my help come? My help comes from the Lord, who made heaven and earth." Psalm 121:1-2

Through our Satellite ministry 30+ members of Vista Church have been involved in the most ancient form of evangelism and that is starting a new Christian Fellowship in San Manuel. The message is the same that has been preached since the beginning of the church, "Christ died for our sins according to the Scriptures, that he was buried, that he was raised on the third day according to the Scriptures,.." The techniques are different in that we are bringing the music and the message to the fellowship through technology. We are doing this as an experiment for our Annual Conference to see if the message and the music can be brought through technology and the ministry incarnated by local members. All of this is being paid for through grants through our Annual Conference. The first grant was for \$10,000, the second for \$25,000 and we can apply for a third of \$25,000. Our Annual Conference sees the vision and the talent in Vista Church to make this happen.

To make the Building Campaign happen we made several cuts and sacrifices. Some of the cuts are actually deferred construction, but some of the cuts are in comfort as the building is being built. We have secured office space off the church campus starting in May. We have also determined that the other classes, groups and meetings can squeeze into the current facilities. This saves us \$50,000.00. This is a momentary inconvenience which grants us the ability to have a long-term space solutions.

Be excited about what God is doing here! You are part of the movement of the Holy Spirit in this world and in this area. May God continue to bless you as we reach out to bless the world, "To make disciples of Jesus Christ for the Transformation of the world!"

In Christ's love

Pastor Fred

## Endowment 2018

Rather than make a presentation to the congregation, the Endowment Committee has decided to summarize the 2018 results in this issue of Echoes. This article will provide information on both our investment returns as well as the donations received during the past year.

Investments in the stock market did not fare well in 2018 with the S&P index off nearly 4.5%. Our investments are held at the DSUMF (Desert Southwest United Methodist Foundation) and invested through Wespath Investment Management. Their investment portfolio is diversified with about 20% in International Equity Funds, which performed much worse than the S&P. Consequently, our investment performance net of contributions was a loss of approximately 5.6%.

On a positive note, our marketing efforts to promote the benefits of endowment giving are generating results. Donors have recognized the perpetual benefits of endowment. As a result, contributions in 2018 exceeded \$28,000 resulting in a year-end balance in excess of \$150,000.

Because our returns were negative in 2018, no distributions will be made in 2019. To help alleviate the impact of negative returns on distributions, your committee has decided to determine distributions based on a three-year rolling average. Had the three- year rolling average been in effect, our distribution in 2018 would have been approximately \$3,700.

Remember, Endowment's goal is to help fund special projects. All that is required is a simple application which can be had from any member of the Endowment Committee.

Questions? Please feel free to contact Chair **Jay O'Donald, jodonald@earthlink.net; 520-240-9979 (cell)**, or speak to one of the other members of the Endowment Committee: **Boyd Carpenter, Jon Leonard, or John Witt**.

## January 2019 Financial Results

We had a good month. Income was \$52,823 which was over budget. Expenses were \$41,050, which was \$2,647 under budget but greater than 2018. Net income for the General Fund was \$11,773. Our Operating Reserve is \$78,618 and the goal is 2 months of expenses which would be \$68,000 in 2019.

It was approved last month by the Finance Committee to transfer \$30,000 to the New Building Fund, which was done in January.

December attendance was a 1,005, which was a -4.0% decrease. This includes San Manuel attendance, but does not include live streaming viewers. The first Sunday had low attendance due to so many parishioners being sick.

An audit of 2018 finances is currently in process.

*Oh, where Oh where are the goodies on Sunday morning?*

*The goodies have gone indoors on Sunday after the service. We have been serving indoor since the beginning of this year due to the chilly temperatures outside. We will have goodies indoors if the temperature is 65 degrees or below or if there is a heavy rain fall. Hopefully, it will be warming up as we move into spring.*

*Goodies are not done on Sundays that we are doing "pot luck luncheons" because we are setting up for the pot luck lunch. We want to encourage everyone to come and join us when we are having pot luck lunch. Pot luck lunches are a great time to meet and spend time with our church family.*

*Some ideas to sign-up for goodies can be for:*

*Birthdays*

*Anniversaries*

*Church groups like: "The Church Trustees", "Choir" or "Men's group"*

*If you have a committee or group at church and you want to let people know what you are all about and you would like to invite them to join the group. This is a good way for the congregation to meet and hear about your group.*

*Special holidays such as: St. Patrick Day or 4th of July*

*Birth of a child or grandchild*

*Celebrate being at church*

*If you are planning on signing up for a special occasion, please do the following:*

*Special events or occasions sign-ups: See Delores Brindle at the sign-up table on the patio or call Delores at 520 907 5706 to pick a date that you want to reserve for that occasion. You want to book ahead the date, so you are sure for your Sunday.*

*Vista Hospitality Needs You!!*

*We need you in church on Sunday to come and sign-up for goodies. We will explain to you about what is involved in doing goodies. We will give you a short work sheet explaining the process. It is not difficult to serve goodies.*

*Please stop now on Sunday to sign-up to bring goodies. Hospitality members will get another couple of folks to sign-up with you so you will not be alone to bring the goodies. There are a few folks and/or families that like to reserve a Sunday to do all the goodies for a Sunday.*

*You do not want a Sunday without goodies.*

*I want to thank those great folks who sign-up to make coffee on Sunday. These folks come to church just a little early on Sunday to make the coffee. If you sign-up for making coffee and it is your first time, there will be someone there to guide you in making the coffee. It sure hits the spot when it is chilly outside. You can also sign-up to make*

Please read below the different methods that are available to you.

Disposing of unused medication: (Information came from the OV Police internet)

Oro Valley Police Department will have a “Dispose-A-Med Oro Valley” on: Saturday, April 17, 10 a.m.-2 p.m.,

Target, 10555 N. Oracle Road.

Another collection is scheduled for Saturday, May 15

Walgreen and CVS Pharmacies have a “Safe Medication Disposal Kiosk” in the area of the pharmacy that you can drop your drugs into the container and the pharmacy will see that the drugs will be destroyed properly.

Liquid medications cannot be dropped into the “Safe Medication Disposal Kiosk”

## **Family First Pregnancy Care Center**

Vista’s Mission Outreach and UMW hosted a Luncheon & Baby Shower on February 9th for Family First Pregnancy Care Center (FFPCC) & Diaper Bank located in Oracle and Winkelman. Our guest speaker was Family First’s Executive Director Frank Grochocki. Family First provides mothers and fathers’ education classes on prenatal care, child development, parenting and life skills. They host a weekly story time for toddlers and their mothers. Through their “Earn While You Learn Program” participants completing a class earn a “FFPCC Mommy or Daddy Dollar” that may be cashed in at their on-site store for a baby outfit, layette item or diapers. We learned that baby diapers cost an average of \$160 per month and are required by all daycare facilities. Frank stated that the poverty rate of the towns in the “Copper Corridor” (Oracle to Winkelman) is approximately 56 percent making the purchase of diapers a financial hardship for families and the elderly. FFPCC is also desperately in need of adult diaper donations for elderly people in their service area.

Fifty ladies and gentlemen attended the baby shower and luncheon. In addition, some baby items were donated by church members unable to attend this event. The baby shower donations overfilled five 3’ x 6’ tables including a table full of diapers purchased by Mission Funds. A Thrivent Action Team Grant provided all of the luncheon food, drinks and decorations. The Family First staff were overwhelmed by the generosity of Vista Church members. We want to thank all Vista members and friends that donated infant/toddler items and diapers. A special thank you to Jan Bohe and the ladies of the Susanna Wesley Circle for making delicious bars for the luncheon dessert.

Jan Hopke-Almer

Family First Mission Outreach Leader
