Echoes

June 2021

Pastor's Pen,

June, hot sun scorched June in Arizona. It seems like it has been forever since it has rained, and the monsoon is just a mirage on the horizon. In June we have the "Longest Day". Usually, it's June 21st the summer solstice, which is six months off the winter solstice of December 21. We wake up to daylight and almost go to bed before the sun sets. Thank God we are not on Daylight Savings Time! And thank God this time of heat and dryness almost always ends with the monsoons.

I have quoted my mom many times when she said, "All good things must come to an end so that other good things can begin." The way we experience it here in Arizona is "All bad things (the scorching heat) must come to and end so that new good things can begin (the monsoons)". But not only is the heat going but with it (by the Grace of God) this pandemic is ending. The bad is going. What the good is we do not yet know but we do know better things are coming.

This is the case in our physical world, but it is also the case in our coming spiritual life with God. The bad will go, and it will be replaced with the Good.

As 1 John 3:2 says, "Dear friends, now we are children of God, and what we will be has not yet been made known. But we know that when Christ appears, we shall be like him, for we shall see him as he is."

As we search the skies for the monsoon this summer let us search our hearts and lives and this world for Jesus, for we know a better form of existence is coming.

In Christ's love

Pastor Fred

Grief Support Group

Thursdays at 1:30 PM Starting June 10 St. Luke Room (Education Building)

WHY JOIN A GRIEF GROUP?

When grieving the loss of a loved one, we need all the support we can get. In this group you will find you are not alone on your painful journey—others have some of the same feelings and challenges you do. Some will be ahead of you in the healing process, some will be where you once were. It is healing and comforting being with people who truly care and support each other. And where you will learn some coping skills.

Questions or to register call Pastor Fred 520-825-1985 or Gerry Alberts 520-975-3039

EMERGE UMW & Mission Outreach Project & Ladies Brunch

The EMERGE Center Against Domestic Abuse in Tucson was the focus of this mission project. We received a \$250 grant from Thrivent used to purchase 25 complete sets of personal hygiene supplies for EMERGE. Thrivent is a nonprofit personal finance company that provides two Action Team Grants (up to \$250 + \$250 per year) to their members for Action Team community service projects. Thanks to the very generous contributions of Vista church members, participants at this event put together 53 personal hygiene gift bags with items requested by EMERGE including shampoo, conditioner, body wash, bar soap, lotion, deodorant, chap stick, toothpaste and a tooth brush. Also added to each bag were facemasks, hand sanitizer and a stationary gift bag including a prayer card and a business card stating "A Gift From Vista United Methodist Church" with the church's address and phone number and a bible verse.

EMERGE also requested wish list items of new towels, wash clothes and twin size sheets. In addition to the 53 gift bags, Vista Church members donated 50 sets of towels (2 bath towels, two hand towels and two wash clothes), extra wash clothes and 11 sets of twin size sheets. These donations filled three vehicles and were delivered to the EMERGE Center Against Domestic Abuse at 2545 E Adams Street in Tucson after the event on Wednesday, May 19th. The EMERGE staff were overwhelmed with the generosity and number of donations generated by this UMW & Mission Outreach & Thrivent Action Team Project. Thank you to the ladies and other Vista church members that shared their generosity and time to put these donations together for EMERGE!

Vista Remembrance Garden

Please consider ordering a personalized brick honoring a spouse, child, parent, family, and/or pets. The bricks are priced at \$125, with most all of the money applied to the New Vista Building Fund. Complete one of the forms located either in the Narthex or the office, and then deliver it to the church office with your check.

Eyeglasses + More - Collection

Blessed to be a blessing – While Spring cleaning would you save your old hearing aides, unused eyeglasses, cases, contacts & cell phones to donate them for a good cause? You may drop them off in the main office during business hours. And soon there will be a collection box on Sundays.

Thank you for helping others see more clearly – What a great way to serve our community.

UMM Party, a real success!

May 6, 2021 the day of a memorable UMM gathering. We met, 21 of us. A real turn out of Vista men. Everyone had a great time, and we ate. Ranchero's Market made up our hamburgers, Alfredo's special recipe, 85 percent lean with longhorn-colby cheese added into the mix. This extravaganza was held in Ron and Linda Olsen's backyard. Ron tells me they occasionally host groups of 80 so 21 was no strain. The resources are wonderful, everything for a picnic party is right there. A place for a cooking fire and a fire pit and chiminea. We could probably have another fire in the parking lot, just clean up after. Bashas made up our cake celebrating a highly successful rummage sale. I'm not sure we accomplished anything of substance, but we surely had a great time. We did agree to a road clean date and we generated a meetings minute. That is something of value for all the calories ingested. Remember, those who work hard, play hard and we were hard at it (both).

Rummage? Rummage is moving along nicely. We are well along toward another sale. This one may be the long rumored medium size sale rather than the usual gigantic extravaganza to which we have grown accustomed. Remember, our hosting community also is accustomed to LARGE sales and they love it! We are known for the greatest rummage sales anywhere. On this topic, next sale UMM will ask for additional helpers, particularly about 4 to 6 people who wear vests and roam the grounds answering questions and offering directions. This is important. Some shoppers do not have Vista's interest at heart. Yes, there are such people even in our rummage sale where everything is already at give away prices. This past sale was fun, we had fun doing it, collecting the stuff, putting

up tables and all of it. It must be the right thing to do. We had excellent cashiers at this past sale and plenty of them. The final number from the sale, past is \$10,400, gross. This includes \$680 from a mini sale held at the U haul dealer on Oracle road. I have high hopes for a November sale, which, in case you have not been paying attention to the flow of life, is right around the corner.

Any person interested in UMM please speak with one of the men. Or call Darrell or myself. Our numbers are in the church directory. We do have a good time. Covid has been a real dampener but with the good Lords help maybe this thing is slowing down and we can safely meet again. Life is good, better with fellowship.

Sincerely,

Jim Bless UMM

CELEBRATE! Children, Youth, and Families

It has been an incredibly challenging year for our youth and families, and we want to honor them all. Our hearts and thanks go out to everyone who has supported our wonderful kids, friends, parents, and teachers.

We especially want to celebrate and honor our graduates! AJ Hernandez has graduated from Middle School, and Nisi Tonga, Natassja White, and Karime Penuelas have graduated from high school. They are delightful individuals, and we share our love and pride with their families!

As we ease into more programming, we are planning a summer activity named Terrific Tuesday, a mini vacation Bible School each week during summer. We are also exploring forming a young adult group and working to encourage everyone to return to Sunday School on campus. Our teachers are preparing and presenting new curriculum, which we began on Zoom this past year. Middle schoolers are invited to join other churches to build benches as a mission project. These benches will be placed in various locations to bring comfort to folks in care facilities. Please invite your middle school neighbors and family to join us.

Thank you, Valerie, teachers, families, and supporters, for your generous and mighty efforts to keep our youth and connected in church! Thank you, congregation, for your support and kind interaction with all our kids. Your smiles, conversations and friendship boost their understanding that this is their church, and you are their church family.

The Children, Youth and Family committee always invite you to join us the 3rd Wednesday of the month at 1:30. These kids are wonderful, and our team is the best! There is so much to celebrate!

Leaving Your Legacy Through A Bequest

A popular way to leave a lasting legacy to your faith is to establish a bequest. A bequest is a gift from your estate—a transfer of cash, securities, or other property. You can make a gift to the Vista Permanent Endowment Fund by including language in your will or living trust dedicating a specific amount or percentage to the Fund. By including the PEF in your will, your investment will help Vista church keep the gospel message alive and growing.

Types of Bequest

Specific bequest: One of the many ways to support the PEF through your will or trust, and the easiest, is a bequest of a fixed dollar amount or specific property. If you would like your charitable gifts to remain in proportion to other bequests, you can designate a specific percentage of your estate, rather than a fixed amount, be given to the PEF.

Residuary bequest: If you do not wish to specify the exact size or nature of your charitable provision (often the size of a future estate is difficult to estimate), you might consider naming the PEF as a residual beneficiary of your estate. You may provide that all or a portion of the remainder of your estate shall pass to the PEF after other commitments have been fulfilled.

Should you decide to include Vista Permanent Endowment Fund in your estate plan, please supply your estate plan information on the form available at the web link below. If clicking on the link does not work, copy and paste the link into your browser.

Explore the Many Ways to Give to the Church

Stewardship Campaign for 2021 was completed in the Fall, but new people can still pledge. There are many ways to give to the Church that make it easier for you as well as helping the church finance team by reducing their workload. Please consider one of the following:

Non-cash Gifts to the Church

Anytime you wish to make a non-cash gift to the Church (i.e. stocks or property), it is **critical that you contact Dennis Kimmel, Financial Secretary for the procedure**. He is in charge of all contributions for the Church. You can complete your general pledge or building pledge through a stock gift, which may provide a tax incentive if you donate appreciated stock.

The Ease of Credit Card and Automatic Bank Giving

You can give to the Church using your credit card for a one-time gift, or set up an automated donation on a one-time, weekly or monthly schedule. To donate, go to our Vista UMC website <http://vistaumc.org/> and on the bottom of the Home page there is a link to our **Donation Page**. It's safe, secure and easy to use. Not only can you give to the Church, but you can collect miles or points from your credit card! If you have any questions, please call Valerie Hammons, Pastoral Assistant.

TACH – Automated Clearing House

Many of our members give through ACH – Automated Clearing House, which is a monthly direct deposit to the Church from your checking account. *If you would like to do this, please contact Dennis Kimmel, Financial Secretary.*

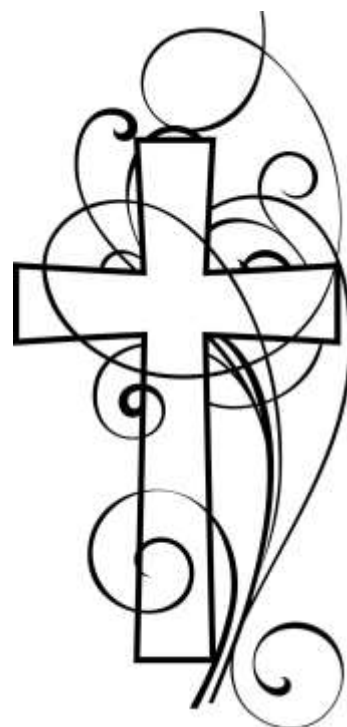

TIRA Gift from your Required Minimum Distribution (RMD)

Retirees ages 70 ½ or older can transfer money *tax free* directly from their IRA to a charity such as Vista UMC and it can count towards your RMD (Required Minimum Distribution). It is important to consult your Financial Adviser to set this up properly.

Please consider selecting one of these ways to give, then follow through. The spiritual progress of the church lives on member donations. Step up, be counted!

Finance Committee

April 2021 income was \$2,005 under budget and expenses were \$1,041 under budget. General Fund Net Income was \$1,377 under budget after our mortgage principal payment. YTD Vista is \$3,052 ahead of the income budget and \$9,295 under the expense budget. Expenses are less than last year. We have entered our lower income summer months when expenses exceed income.

At the April Finance meeting we approved making an additional payment of \$20,000 on the mortgage principal. April ending mortgage principal was \$419,680, which is a reduction of \$130,000 in a year, largely due to the success of the Lenten Challenge and our incredibly generous gift of \$38,000 from our anonymous donor.

Aqua Prieta School Supplies Mission Project

Mark your Calendar: Sunday June 6th will be the start of the AP School Supplies Mission Project. We had hoped to be able to have our usual wonderful cake and beverages to celebrate, but Covid again has kept us from sharing food. However, please know that your generosity is greatly appreciated, and you will hear more about this wonderful project that morning.

Last summer Vista church members provided school supplies and backpacks for 151 children including university students at our sister church Fuente de Vida (Fountain of Life). The School Supplies Mission Project is part of our Mission Committee's Economic Development Program in Aqua Prieta (AP), Mexico.

A donation of \$25 per student buys the long list of school supplies and backpacks required for students to attend the public schools.

Letters were sent in May to past student sponsors giving them an opportunity to keep their same student(s) for the 2021-2022 school year. After the letters are received, if you would like to continue sponsoring your student(s) make your check out to **Vista UMC with AP School Supplies** in the memo line **no later than June 20th**. If your student is no longer at Fuente de Vida you will be given the opportunity to choose a different student. Our goal is to complete fundraising for school supplies no later than July 12th. After that date, Jan Hopke-Almer, Benith MacPherson and Dee Berman will focus on purchasing new school supplies and organizing their delivery to the students at Fuente de Vida Church. Thank you for your generous support of these needy students and families from our sister church.

Blessings, Robin Conner and Peggy Smith A P School Supplies Mission Project Coordinators

Mission Outreach Ministry June 2021

Dear Vista Family: It seems impossible to believe that summer is upon us. We have been busy this past year with so many good things for those who seek and need our help. Your generosity has made so much good work possible. Just take a moment and let me give you a few examples.

Medicine for those in our sister church in Agua Prieta, Mexico who have suffered from Covid, cleaning supplies, masks, hygiene products, clothing and so much more. Resources for students to get their education over the internet. School supplies, backpacks, scholarships for public High School, University and Tech school tuition, books and fees. A new sign for the Coffee Shop and training for those who will work there. Relief for shut off utilities and food on the kitchen shelves of the unemployed.

Food for our own community thru Impact, not only for pick up at the food bank, but deliveries to shut ins and the elderly. Used clothing and new to the clothing bank. Creative Hands continue thru it all, with new clothes for children at Impact as well as babies and little ones at Family First, as well as hundreds of diapers for babies but also adults as well as backpacks and school supplies.

Screening dividers for women's cots to get some rest from the harsh outdoors at Sister Jose Homeless Center, as well as carts so the homeless can carry their few possessions with safety and security. Encouragement for the staff as they serve the street people of our community.

Preparation for a renewed Snak Pac food for our children at Coronado school who need this extra nutrition to be healthy. Mission experiences for our own youth at Vista. Supplies for our homeless vets who now reside at Esperanza en Escalante. Resources for our Deployed troops families, Wounded Warriors and Military Families with a family member who has Special needs., to enjoy a special outing each month in memory of those who gave their lives for our freedoms, and to let them know they are not forgotten.

Help for families in crisis at Emerge Family Center with bags of supplies of much needed items as they transition out of an abusive family situation, many escaping with just the clothes on their backs.

Prayer shawls that are given in love and prayer to the sick and broken hearted.

Dear Vista Family you have done all this and much more, thru your Mission team to alleviate the pain and hurting in our community and beyond, in this past year. May God bless you as you support the Mission Outreach at Vista. We are not a huge church but you have shown a huge heart. Thank you so much for caring and supporting this work. Jesus told us that as we serve the "least of these, we serve HIM". I want to give a special thank you to our Mission team members who have given their love and care to this program and at times under difficult circumstances.

We will not be meeting in June and July, however our work will carry on during the summer. We will meet again in August on the 11th, the 2nd Wednesday of the month at 1:30 PM (note new time) in the Elizabeth Room. Please note that all Vista folks are welcome to join us. Have a safe and blessed summer.

100 YEARS YOUNG Jeanne Farnum

Vista was honored to be a part of Jeanne Farnum's 100th birthday celebration on Sunday, May 9th. Members of her family attended with her, followed on Tuesday, May 11th for a great celebration with all six of her children, twelve of her grandchildren and three great grandchildren. In addition, many of her close friends came over to wish her a happy birthday, creating a memorable occasion for Jeanne!

How well do you know that person sitting near you on Sundays? At 100 years old, I wanted to know what Jeanne has accomplished and asked her daughter, Joanie Rooker (also a Vista member). She sent the following: *Jeanne Seaman Farnum was born in Houghton, Michigan on May 11, 1921. She was involved in dance, music, drama, skiing and ice skating as she grew up there. She graduated from Illinois University with a degree in Geology and was the first woman to be a part of the Michigan Geological Survey and the first woman assistant curator of the AE Seaman Geological Museum which is named after her grandfather. She joined the Red Cross in WWII and was sent to Italy, while her fiancé, Larry Farnum, was stationed in Australia. They joined again in January 1947 to wed and started a new and exciting life together. They had 6 children and lived in many different places, such as; Istanbul, Turkey; Heidelberg, Germany; Nuremberg, Germany, Virginia, Illinois, Kansas and Arizona. While in Germany she took piano lessons and became so good that she played for many churches after that. Upon Larry's retirement from the Army in 1968, they moved to Tucson, but several years later Jeanne moved to Singapore while Larry was in Vietnam. She returned to Tucson again for a few years before moving to live in Iran for a few years. The next move was to Denver then Frisco, Colorado where she and Larry became the first Ambassadors at Copper Mountain Ski Resort. She enjoyed many years of downhill and cross-country skiing and winning many gold medals in the Senior Olympics. In 2001 she moved back again to Tucson/Oro Valley where she enjoyed singing in the choir, playing some golf and playing bridge and canasta. She attributes her longevity to good genes and healthy living. She misses Larry but still lives alone in her own house.*

Congratulations and Happy Birthday, Jeanne!

Robin Conner and Joanie Rooker

Hearts Apart Program for Military Families a Davis Monthan Airforce Base in Tucson

Family Services at DM provides a special outing or a special program every month, for the families of deployed troops, Wounded Warrior families and Military Families who have a member with Special Needs in the Tucson area. These events are a real morale booster and let these Military families know that we, the citizens of the Tucson area appreciate them and the sacrifices these families have made. Every year we at Vista underwrite one of these programs as a tribute to those of our Military who have given the ultimate sacrifice, their lives, in service to our Country. This year we will be doing the same and hope as always that our Vista Family will support this effort by making a contribution to this cause. If you feel led to assist, please make your check out to Vista UMC and write in the Memo Line Memorial Day fund. May God Bless you and may God Continue to bless the United States of America.
