

Vista UMC Youth & Family Ministries

Join us for Sunday School every week from 10:15am - 11:00am. We begin in the sanctuary with the rest of the congregation before heading to class. The leader will provide a light snack, a quick lesson and crafts. We have many instructors who are enthusiastic about working with our children. There are numerous fellowship activities and fun events held throughout the year. We're excited to spend time and honor the love of Jesus with the children and youth of Vista!

Young Adults

Our newest group is here at Vista. The group consists of college age students. The young adults congregate together at least once a month. This is an opportunity for them to relate to each other while connecting more with God. We hope to continue to grow our ministry – Vista is a great place to start.
