Vista’s Mexico Ministry. Our sister church Fuente de Vida has been chosen to host the Annual Conference. This Conference includes all the Methodist churches in three states (Sinaloa, Sonora, and Baja). We have been asked to make a collection of clothing, suitable for church gatherings, for these pastors for both male and female. This would include accessories like neck ties and jewelry. A clothing rack and table will be placed on the patio outside the nursery each Sunday in May. Please bring any lightly used clothing on hangers and place them on the rack provided. Thank you in advance for your continued support of our sister church in Mexico.

Echoes are available on the website and in your email. We have some available in the Narthex this week. If you are home bound, we will add you to our Echoes mailing list. Please call the church office 520-825-1985.
